

## ANA – Expert Level

*Take your ANA knowledge to the next level*

This advanced training is designed for laboratory professionals who already have basic experience in ANA pattern recognition, either through prior hands-on practice or after completing the ANA Competent Level training. Taking ANA expertise further, this training covers complex patterns, follow-up testing, and automation strategies to boost precision and confidence.

### What to Expect

- ✓ Advanced ANA pattern recognition (*ICAP – Expert Level*)
- ✓ Detailed review of follow-up testing strategies
- ✓ Introduction to potential automation solutions
- ✓ Practical examples and case discussions

### Who Should Attend

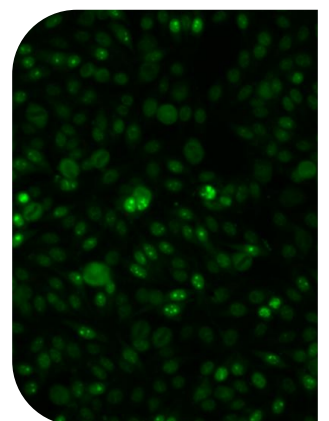

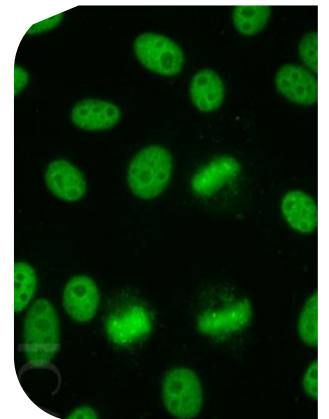

- ✓ Laboratory technicians with basic ANA knowledge
- ✓ Those who have completed ANA – Competent Level
- ✓ Clinicians involved in ANA testing
- ✓ Professionals seeking advanced expertise

### Training Format

- ✓ Onsite in Antwerp (EurobioBMD) or online
- ✓ Delivered in Dutch or French

### Certification & Materials

- ✓ Personalized certificate after completion
- ✓ Printed training materials available on request
